Senior Dining

Fellowship, Food Fun

## What is the Dodge County Senior Dining Program? Fellowship...Food...Fun...

The Senior Dining Program is operated as a service from the Dodge County Human Services and Health Department programs.

The purpose of the Senior Dining Program is to offer residents of Dodge County age 60 or older a chance to enjoy one nutritious meal and other nutrition-related services, five days a week, at ten dining centers throughout the county.

Home delivered meals are available to homebound elderly who meet the federal eligibility requirements.

The Senior Dining Program contributes significantly in assisting older persons to remain healthy, active, and independent in their own homes and communities. The Senior Dining Program is funded by a combination of federal, state, and participant contributions.

The congregate meal program, commonly referred to as the dining center, offers a place to meet with friends over a well-balanced meal. Participants enjoy fellowship, social activities, educational programs, and a tasty, nutritious meal.

For many, the Senior Dining Program has been the answer to the loneliness of eating alone and cooking for one.

The home delivered meal program offers those unable to leave their home or find it hard to cook for themselves, a well-balanced meal. It also offers them contact with the smiling face of the home delivery driver in what can otherwise be a long day.

### Days of Operation

The Senior Dining Program operates Monday through Friday each week from 11:00 a.m. until 12:30 p.m. with the exception of the following holidays: New Year's Day, Spring Holiday (Friday before Easter), Memorial Day, 4th of July, Labor Day, Thanksgiving, Day after Thanksgiving, Christmas Eve, Christmas Day, and New Year's Eve.

The Senior Dining Program meals are canceled when weather conditions make traveling hazardous. Local radio and television stations announce dining center closings.

### Menus

The Senior Dining Program menus are listed weekly in local newspapers. They are also announced daily on the following radio stations: 1430 AM WBEV, 95.3 FM WXRO, 1170 AM

WFDL, 1540 AM WTKM, and 104.9 FM WTKM. You can also phone the office to ask about menu items.

### Meal Reservations

Anyone wishing to attend a dining center must make a meal reservation the day before attending the dining center. Meal reservations can be made either by signing up at the dining center or by phoning the office at **920-386-3580** or **800-924-6407**. Any person who comes to a dining center without a meal reservation can be served a meal only after ALL dining center attendees who have a meal reservation have been served.

### Cost of the Meal

Based on federal requirements of the Older Americans Act, dining center participants are encouraged to make a voluntary donation towards the cost of the meal. No participant will be denied a meal if they are unable to make a donation.

Donation containers and donation envelopes are available at all dining centers for participants to use when making their donation. Anyone who receives a meal delivered to their home will receive a monthly summary letter from which they can make their donation. People who eat at the dining center, can request a monthly summary letter.
